DON'T FORGET...

If you didn't pre-order a box lunch, there will be a limited number available on a first come first serve basis for \$12 each. You are also welcome to bring your own meal and join us for lunch.

Be prepared for the unexpected break down and be sure to bring along tools and spare parts as deemed necessary. Racers will also experience a high-level of track time and will likely need additional fuel throughout the day.

Make sure to bring the correct sled for the clinic that you have signed up for. We will not allow you to practice if your sled is not in the class you signed up for. ***E.g. If you signed up for the 120 clinic you cannot ride a transition sled. We will not allow you to participate until you have the correct sled***

All coaches, track workers and organizers of the Learn 2 Ride Clinic are volunteers. Please thank them for their time, we couldn't do it without them.
